07 -08-1437 H

04 -05-2017

TO ALL PVT. PHARMACIES & PVT. DRUG STORES

After Compliments,

Sub: Import and wholesale of medicines

It came to our notice that some companies are importing medicines through air courier without taking any approval from this Directorate. This is to remind you that the importation and wholesale selling of medicines are allowed only for licensed Drug Stores according to definition mentioned in Article 1 of the Pharmacy practice Law issued vide Royal Decree No. 35/2015. Further please note that the import of medicines should take place only after approval from this Directorate.

Hence, all are advised to strictly follow the above; failing to do so, the issue will be referred to the Pharmaceutical Violation Committee for legal actions.

We request your kind understanding and cooperation.

Yours faithfully,

Dr. Mohammed Hamdan Al Rubaie
